A screenshot of a question submission interface. At the top, there are tabs for 'Categories' (highlighted with an orange box), 'Tags', and 'Filter'. Below this is a 'View options' section with dropdown menus for 'Post type', 'Status', and 'Order by'. A large input field for 'Title' contains the text '(مكتبة) ملخص'. To the right of the title is a 'Select a category' dropdown menu. A prominent red box highlights the 'Add new question' button at the bottom left. On the right side, there's a sidebar with 'No tag filters applied' and a 'Filter by tags...' dropdown. At the very bottom, there are two checkboxes: 'Follow unanswered posts for this question' and 'Notify me of all updates'.

Question Text .... ?

Draft saved.

This screenshot shows a software interface for creating a question. The 'General' tab is selected. The 'Question name' field is empty. The 'Category' dropdown menu is open, showing several categories. The 'Question text' field contains the placeholder text 'Question Text .... ?'. Below the text area is a rich-text editor toolbar with various formatting options like bold, italic, and alignment. A status message at the bottom right indicates 'Draft saved.'

This image shows a Moodle-based online assessment interface. At the top, there is a navigation bar with tabs for 'Home', 'Courses', 'Groups', 'Activities', 'Assessments', 'Moodle', and 'Help'. Below the navigation bar, a question is displayed. The question title is 'Q 1' and the status is 'Not yet'. A dropdown menu labeled 'Select one:' is open, showing three options: 'a. option 2', 'b. option 2', and 'c. option 1'. The first two options are highlighted with orange boxes and arrows pointing to them from the left. The third option is highlighted with a green box and an arrow pointing to it from below. Below the dropdown, there are several buttons: 'Challenge', 'Download this question in Moodle YML format', 'Collapse all', and 'Attempt options'. The 'Attempt options' button is highlighted with a green box and an arrow pointing to it from the bottom left. At the bottom of the page, there is a link 'How questions behave' and a button 'Start again with these options'.

The image shows a screenshot of a learning management system (LMS) interface. At the top, there's a navigation bar with 'Schedule', 'Dashboard', 'Courses', and 'Engineering And Information Technology'. Below this, a course titled 'WEB DEVELOPMENT | Section2| Lecture' is displayed. On the right side of the course title, there are several buttons: 'Edit settings', 'Course completion', 'Filters', and 'Announcements'. The 'Announcements' button is highlighted with a blue box and has a blue arrow pointing towards it from the top right. Below the course title, there are two time periods: '4 January - 10 January' and '11 January -'. At the bottom of the screen, there are more buttons: 'Restore', 'Inventory', 'More...', and another 'More...' button. The background of the LMS has a dark orange gradient.

The screenshot shows the Moodle quiz editor interface. At the top, there's a toolbar with various icons for editing and saving. Below the toolbar, the quiz title 'Edit a quiz: Quiz 1' is displayed with a question mark icon. A progress bar indicates the total marks available. The main area shows two questions: 'Ques 1' and 'Ques 3'. Each question has its text and a green 'Edit' button. On the left, there's a sidebar with icons for adding new questions and deleting existing ones. A large blue arrow points from the bottom left towards the 'Add' button. Several red and green boxes with arrows highlight specific UI elements: a red box with an arrow points to the 'Select multiple items' link; a green box with an arrow points to the 'Edit' button for 'Ques 1'; a green box with an arrow points to the 'Edit' button for 'Ques 3'; and a red box with an arrow points to the 'Edit' button for 'Ques 3'.

This screenshot shows the Moodle interface for managing questions. At the top, there are tabs for 'Questions' and 'Categories'. Below them are buttons for 'Import' and 'Export'. A large red box highlights the 'Export' button. A red callout bubble points to this button with the word 'Export'. Below the 'Import' and 'Export' buttons is a dropdown menu labeled 'File format'. This menu is also highlighted with a red box. Inside the dropdown, four options are listed: 'Aiken format', 'GIFT format', 'Moodle XML format', and 'XHTML format'. Another red callout bubble points to this list with the word 'Export'. At the bottom of the interface, there is a link that says 'Want to export your questions? Click here to learn more.'

The screenshot shows a software interface for managing questions. At the top, there are tabs for 'Questions', 'Categories', 'Import', and 'Export'. Below the tabs, a progress bar indicates 'Parsing questions from import file.' and 'Importing Questions from file...'. The main area displays three question entries. Each entry consists of a question number, a question title, and a detailed description. An orange bracket on the left groups the first two entries, and another orange bracket on the right groups the last two entries. A green arrow points from the bottom of the second bracket to a 'Continue' button at the bottom right.

Question

ANSWER

**Add individual question**

The screenshot shows a software interface for managing questions. A red box highlights the 'Default for Engineering And Information Technology (1)' category selection. Two blue arrows point from the right side of the interface towards the 'More' button (represented by three dots) and the 'Filter by tag' dropdown menu. A large red rounded rectangle covers the right half of the screen, obscuring several buttons and checkboxes. These include 'More', 'New tag', 'Filter by tag', 'Search options', 'Allow others', 'Ask a question', and 'T' (likely a trash bin icon). At the bottom, there's a green bar with the text 'Add individual question'.

A screenshot of a Moodle-based LMS interface showing a question editor for a multiple-choice quiz.

The question text is: "Which of the following is not a benefit of using AI in education?"

The question type is set to "Multiple choice".

The maximum grade is 10.00.

The total mark is 1.00.

The question has one correct answer and three incorrect answers.

The correct answer is: "D. All of the above".

The incorrect answers are: "A. Increased student engagement", "B. Improved teacher performance", and "C. Reduced teacher workload".

The question is categorized under "Category 01" and "Multiple Choices for Category 3".

The page number is Page 1.
